

KARL LAGERFELD'S LOBBY DESIGN

SHOWCASED IN THE

WALL STREET JOURNAL MAGAZINE

Hammered metal floors, water fountains, cerulean-blue mosaic rugs inspired by our beachfront setting – these are some of the stunning design details of the lobby designed by KARL LAGERFELD that were revealed in The Wall Street Journal Magazine this week.

The lobby of The Estates at Acqualina sets the stage for the most prestigious and fashionable address in America. Karl Lagerfeld pulled everything together in a very contemporary way with a tremendous amount of history in it.
